

Who We Are

For almost 50 years, Goodwill Industries of Central North Carolina has helped individuals with barriers to employment become self sufficient.

We operate retail stores and three community resource centers to serve Alamance, Caswell, Guilford, Randolph and Rockingham Counties. We accept donated goods, resell those items in our stores, and use the revenue to provide job training in our community resource centers.

The Rockingham County Community Resource Center opened in 2004 and serves more than 2,000 members of the Rockingham community every year.
