

Triad Goodwill

Goodwill ON THE GO!

TECH FOR VETS

May 29-30, 11am-1pm • 901 N Main St, High Point

Starting this year, veterans need an online account to access their VA benefits—and we're here to help you every step of the way!

Join us at the High Point Public Library on May 29th or 30th!

Our Goodwill on the Go unit, with instructors from the NC Cooperative Extension, will be on hand to guide you through creating and navigating all three on your VA benefit accounts.

What to expect:

- Coaching on the digital skills needed to access veteran benefits
- Step-by-step assistance in setting up your online VA accounts
- Learn how to navigate the platforms to easily find and use services

Prior registration is encouraged:
